Stickle Ghyll Langdale National Trust car park

This is a Google link to the place.

Directions

Drive out of Ambleside on the A593 heading west toward Coniston & Langdale. At Skelwith bridge fork right following for "Great Langdale".

Continue on the Langdale rd past Elterwater, through "Chapel stile" and keep going.

After quite a few wiggly bends you will see signs on your right for the NEW dungeon ghyll hotel and the "Stickle barn tavern". Do not turn in at these signs or park in the small car park on the left.

BUT

About 100meters just after these two pubs there is an opening on the RIGHT hand side of the road into the NATIONAL Trust "Stickle ghyll" car park.

There are other car parks in this area so please look for the correct place.

Phone reception is limited so please check a map and contact us prior to your journey if you are unsure where to meet.
