

Mountain Leader Assessment Home Research Paper

Complete the following paper and bring it with you to the start of the course.

It is designed to give you the chance to research the answers and in so doing expand your knowledge of topics related to Mountain Leadership.

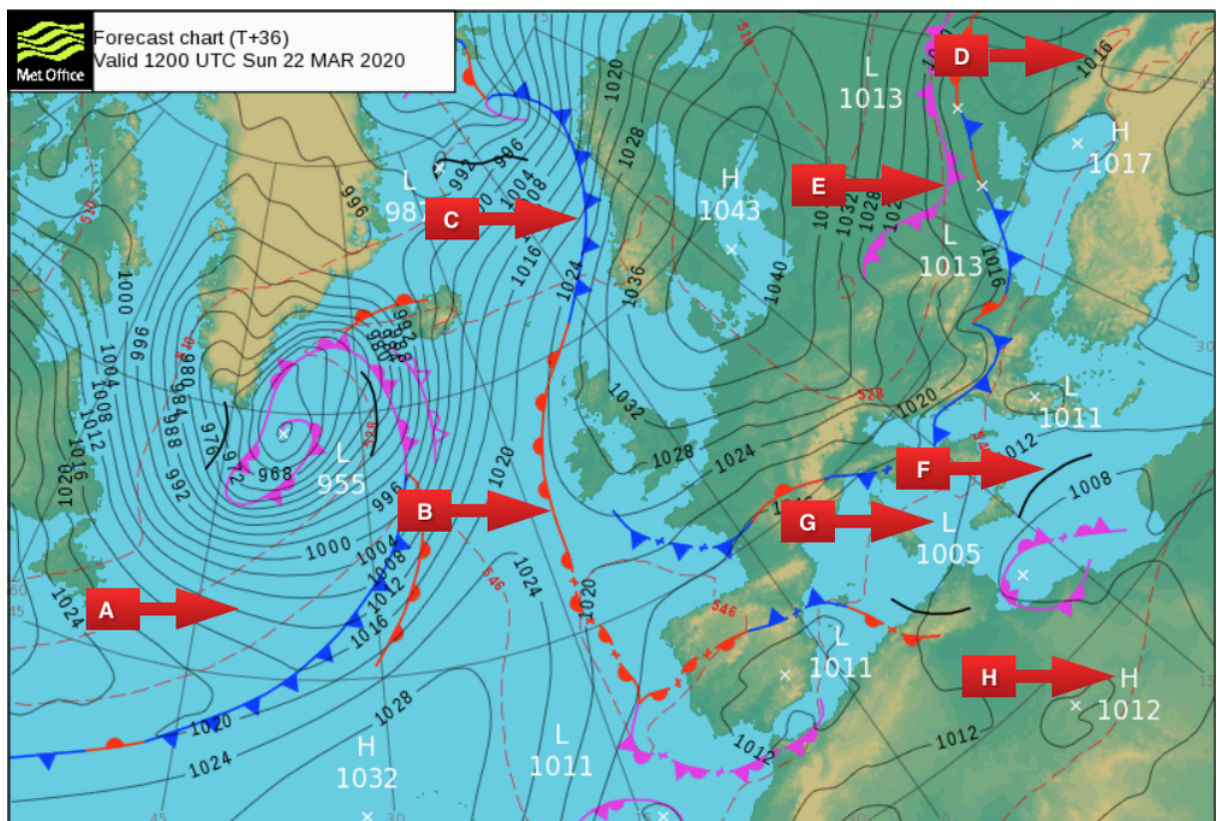

Please write your answers on the question paper. If you require more space, number appropriately and use the reverse of the page.

You may of course use any resource in your research. Total course marks are out of 100.

SECTION A. WEATHER

4pts

1

- A. Please describe the weather at point C.
- B. What is the wind direction at point A.
- C. What does the symbol at point E show?
- D. What does the symbol at point F show?
