Training

CLIMB365  
YEAR ROUND CLIMBING

## Mountain Leader course

### Meeting info

We will meet at 9 am at the 4 seasons terrace Cafe, in Ambleside.

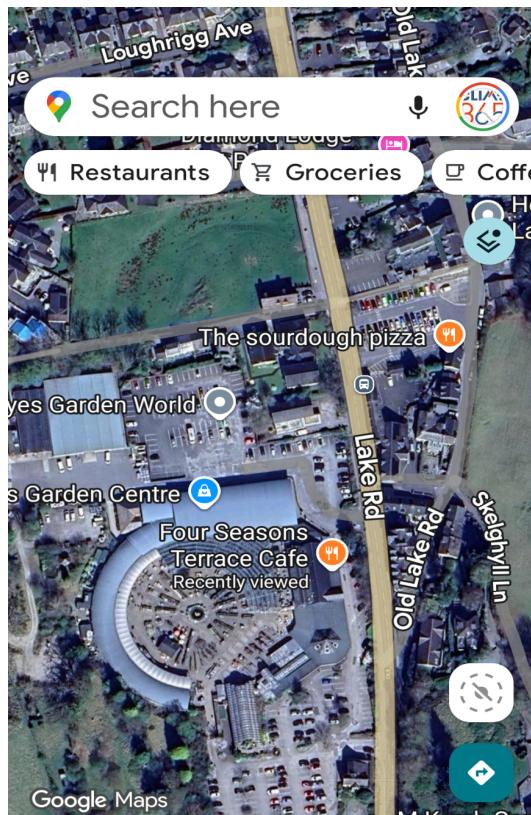

This is upstairs in the huge garden centre of Hayes.

There are two carparks, both have silver Dolphins in them. I suggest you park in the Northerly of the town and enter the building at the main entrance. The building is huge and the toilets are through the big auditorium at the back on the right.

The cafe is upstairs to the left as you enter through the main doors.

We will cover initial introductions for about an hour before heading off.
